

Montana Thermostatic Shower with Rigid Riser

Product Code 100507

- **Montana Rigid Rain Shower Head**
- **Brass Tube, Chrome Plated**
- **Full Height Adjustment**
- **Max Temp 80°C**
- **Max Pressure - 6 bar**
- **Min Pressure - 0.5 bar**

Suitable for all applications and with an easy clean action to prevent the build-up of lime scale, the clean modern lines and fixings create an attractive appearance suited to a minimalist taste. The Rain Shower height can be easily set during installation, using the telescopic feature built in just above the top fixing bracket.
